

# Top 10 Prom®

## How to save an image from the Members Artwork Library while using an iPad Tablet

Instagram is becoming more and more popular. You have to know how to share content to your followers on Instagram. Here are some steps on how to save and share the images in the Members Artwork Library while using your Tablet! You can also follow the same steps to save images from your phone.

Step 1: Go to [www.top10prom.com](http://www.top10prom.com).

Step 2: Once you are on Top 10 Prom's homepage, scroll to the bottom and find the **Member Log In** link and click on it.

Step 9: Once you have saved the image, you can go to your photos and you will be able to view the image in your **Camera Roll** album.

Step 10: Once you have the image that you want to share go to the top of the image and you should see an icon like this . Press on that icon and a list of sharing options will show up.

Step 11: Once the sharing options are on your screen you will be able to select the platform that you would like to share to.

Step 12: Congratulations you have shared your saved image from your tablet!
